

When Opponents Overcall your 1NT - Course Outline - Seminars 1-3

This is a 2 seminar course. After opponents overcall your 1NT opening (either with a simple overcall or a conventional 2 suited bid), it can be difficult for your side to compete. This seminar covers the standard way of dealing with interference and introduces Lebensohl as an advanced method. Both seminars consist of a 45 minute presentation followed by a 75 minute guided play session with prepared set hands.
